

Studebaker
CAR CLUB OF QUEENSLAND INC.

Luco's Studebaker Garage Run's

Work on your Stude Day

May 9th 2015

The second Saturday of each month Dave Lucas has offered the use of his shed for club members to perform maintenance jobs on your cars.

For just a small donation, this is a great opportunity to utilise a great facility for club members to put your car on a hoist to make your under car jobs a breeze.

Club members are able to check their cars for any faults or do a pre National Rally service for Easter Nationals.

Need parts?

You can contact Studebaker of Australia after you visit or beforehand if you know you already know what is needed.

Bookings are essential as there will only be time to do 3 or 4 cars per Saturday depending on the jobs being performed.

May 9th 2015

Meet at: 50 Duke St Meldale

Meet Time: 10am to 2pm

RSVP: by the Wednesday 6th May

Phone Dave: 0409 709 334
