Dave Lucas raised the issue of Chris Skinners Life Membership in the Club. A lengthy discussion followed concerning Chris's eligibility to retain Honorary Life Membership following his actions that could be construed as bringing the name of the Club into disrepute. In line with the rule 10 of the Club Constitution it was moved by Dave Lucas and Seconded by Ken Scott and unanimously agreed by all present that the Management Committee should meet to decide what action should be taken. Copy of club rules can be found on the club web site under club business.
