MINUTES OF PREVIOUS MEETING:

Minutes of March General Meeting were reviewed and accepted.

Moved: John Cosgrove

Second: Peter Ellis

BUSINESS ARISING FROM PREVIOUS MEETING: Sheree reminded us that we had voted to give Bill Bud a Club T Shirt in appreciation of his hospitality. Brett will take shirt to coast with him and present it with letter of appreciation.

Following the meeting of the Management Committee with Chris Skinner in accordance with the motion moved and passed at the March 2018 General Meeting of the Club, Chris requested an opportunity to address the Club at this meeting and this request was granted. Prior to the commencement of the meeting Chris arrived and proceeded to drop four boxes of items at the front of the meeting and unfortunately departed without availing himself of the invitation to address the membership in attendance. In accordance with meeting procedure and business arising from the previous minutes President Brett opened the floor to discussion where full and frank opinions were expressed both for and against the motion. It had to be pointed out that hearsay did not count when it came to the provisions of Club Rule 10 (3) (d). It was further pointed out that if individual members had reason to feel they had been maligned by Chris it was up to them to confront him with their grievances. It was also felt by most present that in discussions with other members of our and other Clubs the known facts should be the basis of any discussion and not hearsay. While several members thought Chris Skinners membership should be revoked, as a result of the lengthy debate, the rules of association don't cover personal business matters or private interaction (including social media) with other members it was therefore

agreed that Chris be asked to decide on where he saw his future regarding SCCQ. Chris Skinner's membership remains with the SCCQ. Future happenings can always be reviewed by the Management Committee.
