GENERAL BUSINESS:

I. New Social Secretary

The agenda item 'Social Secretary' still needs to be filled.

The SCCQ needs to appoint a new social secretary or a group of people who can collaboratively perform the Social Secretary role.

There was not a lot of discussion resulting from a number of prompts about the style, type and timing of SCCQ events that SCCQ members would like to attend, with the exception that events such as the Show and Shine should be organised in a more timely fashion than the 2019 event.

Could you all think about the following prompts and provide feedback to Secretary for discussion at the next meeting.

Club Runs;

- a) Should the runs start later in the day or should they remain a relatively early start?
- b) Should club runs be morning, mid-day or evening events?
- c) Should the runs be of longer or shorter duration?
- d) What sort of venues are preferred?
- e) What events do members favour? Social such as catch up for a chin wag, food, wine, beer, technical such as maintenance, meet up with other car clubs and attend museums or other collections.
