

STUDEBAKER CAR CLUB OF QUEENSLAND INC.

ANNUAL GENERAL MEETING - Tuesday 21st July 2020

President's report,

What a year, with the interruption of our activities due to the unforeseen pandemic, locking down the nation from March to June. As with previous years, the club is supported by many members throughout the year, thank you to all those who have attended and contributed to the club activities over the past 12 months, with special thanks to the members who assisted with the 2019 National Rally.

2019/20 Has been another highly active year for the SCCQ. Since the last AGM in May 2019, some members attended Cooly Rocks while other went up to Wintersun, we also attended MacLeans Bridge, State Library of QLD Night, unfortunately Muscle on the Mountain washed out due to rain, RACQ Motorfest, Back to 63 at Ipswich, Wings & Wheels at Maryborough, the state show & shine at Colleges Crossing, a very nice run through the scenic rum to Boonah, Historic Rivermill, the Victorian Show & Shine, a couple of members managed to make it to the Newcastle Show & Shine battling the bushfires on the way down, others didn't make it through having to return to home. Our first Breakfast run to Espresso 25 café, history run hosted by the Jeep club – Bunkers & Bomb Shelters, finishing off the 2019 year with the Christmas Party, Hot Rods for the Homeless at Redcliffe cancelled due to the bush fires. Early runs for 2020 included, Australia Day run, Toowoomba Swap, then March – June activities halted by the global pandemic.

With the funds raised from the National Meet we were able to purchase a couple of new tents and 4 wing banners for the club, utilizing at our 2019 Show & Shine, those who want to take a peek can see the U-Tube clip, <https://www.youtube.com/watch?v=2yWb77WzIDc>

Let us hope we can get back to some regular club activities as soon as possible, we believe the July meeting should be attainable and will include the AGM.

The **2020 SCCQ state meet** (show & shine) remains in doubt until we can ensure social activities can be fully resumed, we don't want to have a public event where we may need to police the activity of general public, non-club members.

Don't forget it the **International Drive Your Studebaker Day** on the second Saturday in September (12th).

Over the next few months, we need to focus on the government directions in relation to public activity.

As we always say, "**it's your club**", we look for any involvement of members to enjoy the fantastic brand that is **STUDEBAKER**, the heritage and spirit of the marquee.

Please like our FB page or get your young ones to like us also.

We look forward to the rest of 2020 and 2021 National Rally at Lakes Entrance, we are planning a run down through Uralla to Gloucester, meeting up with the Pacific HWY at Raymond Terrace taking 4 days to travel down. It is about social activity, having fun and driving our cars & promoting our club to the general public.

I encourage as many members as possible to attend the AGM and nominate for the various positions available.

Regards

Brett Hampson
President SCCQ July 2012- July 2020
