## **PUBLICITY REPORT:**

George advised that the club calendar is up to date, and that the photographs from Drive Your Studebaker Day will be uploaded when they are made available by those members who drove their Studebakers.

The For Sale Section of the SCCQ Web Site

A brief discussion was held regarding the cars advertised for sale on the SCCQ web page. It was noted that some cars currently listed had been sold. It was determined that advertisements for items for sale would be removed after a six-month period.

## **SOCIAL SECRETARY REPORT:**

The SCCQ Show and Shine was cancelled due to the Covid19 restrictions limiting attendance numbers and the degree of work required to write, implement and manage a Covid plan for a public event. It was deemed by the Committee that the event would not be the relaxing day originally planned for SCCQ members due to the work required to comply with an approved Covid plan on the day.

## **GENERAL BUSINESS:**

### **i. 2012 Nationals**

A zoom meeting was attended by all Australian Studebaker Club presidents to discuss the 2020 National Meet at Lakes Entrance.

The organising committee are confident that the event WILL be held as per the original plan with a 98% factor, however we all need to have a contingency for worst case scenario, if there is another flair up of the Covid 19 virus (E.G. a third wave) then a final decision has to be made 90 days out from the event. New Year's Day is the deadline to meet the contract clauses with the event location, any decisions after this date would incur cost penalties.

Should the event be postponed it will be held in 2023, with all subsequent Nationals events moving out by two years.

### **ii. 80<sup>th</sup> Anniversary of the Battle of Britain**

Jim McKinnon noted that the 15<sup>th</sup> of September was the 80<sup>th</sup> Anniversary of the Battle of Britain. It was acknowledged by the SCCQ by a brief discussion about the air battle over Britain.

**"Never in the field of human conflict was so much owed by so many to so few"**

### **iii. Future Events**

A brief discussion was held about members getting together and having ad hoc runs with 2 or 3 cars for a drive. Brett offered to complete the required run sheets.

### **iv. For Sale**

John Cosgrove advised that a Silver Hawk was for sale on Gumtree. The car is essentially a bare rolling shell only. Price \$2000.

## **RAFFLE:**

The raffle of two bottles of wine was won by Janelle Black.

There being no further business President Brett closed the meeting with thanks to all present at 20:05.

Once again, another friendly meeting with a lot of catching up between members.
