SOCIAL SECRETARY REPORT:

The SCCQ Show and Shine was cancelled due to the Covid19 restrictions limiting attendance numbers and the degree of work required to write, implement and manage a Covid plan for a public event. It was deemed by the Committee that the event would not be the relaxing day originally planned for SCCQ members due to the work required to comply with an approved Covid plan on the day.

GENERAL BUSINESS:

i. Club Trailer

The Club Trailer will be 'wrapped' with the Studebaker and Club logos and other art work in the very near future.

ii. Maleny Gardens

It is expected that up to 10 cars will attend the Maleny Gardens event

iii. Concessional Registration

A brief discussion was held regarding the Concessional Registration requirements.

The key issue for owners of vehicles that operate on Concessional Registration for special interest vehicles is to ensure that all requirements are met so that third party insurances are valid.

The Concessional Registration for special interest is described in the following link;

<https://www.qld.gov.au/transport/registration/fees/concession/special-interest/restrictions>

The Concessional Registration for special interest recommends that the following paperwork should be carried in the vehicle to support your reasons for travel;

- club newsletter
- club calendar of events.

<https://www.qld.gov.au/transport/registration/fees/concession/special-interest/carry>

The results of the discussion at the meeting determined that SCCQ members should carry the Run Sheet for the event in the vehicle. The Run Sheet can be a hard copy or electronic copy on a smart phone.

In the case of overnight events it was determined that the Run Sheet covered vehicles used at the overnight destination for refuelling, repairs or dining out at the destination, within a 15km radius of the overnight destination
