

## STUDEBAKER CAR CLUB OF QUEENSLAND INC.

### ANNUAL GENERAL MEETING - Tuesday 18<sup>th</sup> May 2021

President's report,

What a year! with the interruption of our activities due to the pandemic still and issue, locking down the nation on several occasions. As always, the club is supported by many members throughout the year, thank you to all those who have attended and contributed to the club activities we were able to run over the past 12 months.

2020/21 Has been a challenging year with many runs & events cancelled or restricted. We still managed to hold a baker's dozen (13) of activities throughout the year which was a reasonable achievement.

Unfortunately, we haven't had much of a chance to use the NEW tent and banners since the 2019 Show & Shine, let's hope the current situation of open events continue so we can run the 2021 Concours at the end of August.

The **2021 SCCQ state meet** (Concours) will be a more official event this year with the postponement of the National Meet.

Don't forget it the **International Drive Your Studebaker Day** on the second Saturday in September (**12<sup>h</sup>**).

Please try to attend the AGM and see if you can find your way to nominate for a position withing the Club, we are looking for a merchandising officer and all other positions become vacant as per the AGM procedure.

As we always say, "**it's your club**", we look for any involvement of members to enjoy the fantastic brand that is **STUDEBAKER**, the heritage and sprit of the marquee.

Our FB page is now over 1100 likes and over 1000 followers if you haven't been to visit the page yet please do so, see if you can get your young ones to like us also.

We look forward to the rest of 2021, the 2022 NZ meet and 2023 National Rally at Lakes Entrance, we are planning a run down the East Coast & return up through the center of NSW to visit the various places of interest.

I encourage as many members as possible to attend the AGM and nominate for the various positions available.

Regards

Brett Hampson  
President SCCQ July 2012 - May 2021
