

Run No: 10 - 22

Studebaker
CAR CLUB OF QUEENSLAND INC.

Ipswich Hand Made Craft Market

Sunday 13th Aug 2022

This run offers the options of attending a handmade craft market and a wander along Ipswich's historic shopping precinct in Brisbane or a visit to the Workshop's Railway Museum.

The Run Sheet is more complex than it usually is because we are combining two venues with separate drop off locations and then meeting at a third venue for lunch.

The market is held in Tulum Place see map provided. The venue is approximately 300 metres walk from the Pumpyard Bar (see map).

If you love discovering something a little different and eclectic when you're shopping, Ipswich's Top of Town fits the bill. This historical stretch of Brisbane Street bordered by Ellenborough and Waghorn Streets, has cafés, restaurants, vintage stores, clothing boutiques, a luxury massage/spa, homewares, and collectibles on offer. You'll be impressed by the original shop façades and heritage buildings such as the Old Flour Mill Building, designed by renowned architect George Brockwell Gill, and now a retail centre.

Parking for our cars has been arranged at the lunch venue the Pumpyard Bar.

Parking will only be available for a two-hour period from the time of the club booking.

Arrive at club house at 8.30 am for a 9.00 am departure.

Drop attendees in 4Hearts Brewing (88 Limestone St, Ipswich) car park before 10.00 am.

Entry to the car park is off South St.

Meet at the Railway Workshops main entrance and enter as a group.

Self-guided museum tour group cost is \$9.00 pp.

Lunch booking begins at 12.30 pm.

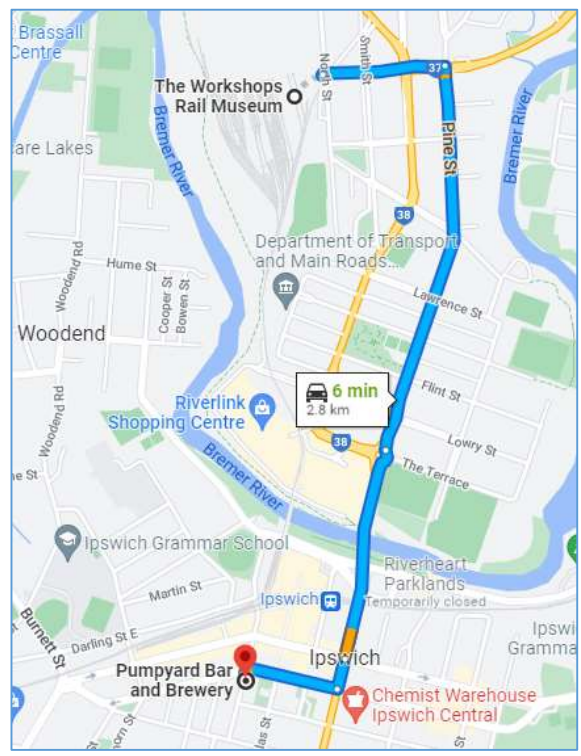

Departure before 2.30 pm.

The venue has been chosen because of the central location and because the available reviews are generally good.
