Ross advised that Brett had relinquished this position and that he would act as Social Organiser until a new appointment was made. Ross provided the following summary of Club activities for the month:

- State Meet 2022 – Ross considered the weekend to be a success given the number of cars and members in attendance. The staff at Old Petrie Town were extremely helpful and public involvement in the Show and Shine went well. Ross added that another venue for the 2023 State meet was probably needed to add variety to this event. Photos of cars and prize winners have been posted on Facebook and the Web Site.  
Janelle moved a vote of thanks to Andrew Devantier for his enthusiastic assistance at the Show and Shine. Supported by all present.  
Phil advised that additional prizes for the State Meet had been ordered.
- Adventist Retirement Village at Victoria Point, 21Sep22 – Six members plan on attending.
- Future Club Runs. Ross asked members to provide suggestions on Club runs for the remainder of 2022. A number of suggestions were made by members and will be investigated by the Committee. Of particular interest were "Garage Runs" which would involve visits to Club members' garages/sheds. Ross and Gus will investigate further.
