Studebaker Car Club of Queensland guidelines for impromptu runs

SCCQ has identified a need to implement a few minor additions to the process for impromptu runs. This is to minimise any exposure to both the Club and its members regarding the Department of Motor Transport and Main Road (DOTMR) guidelines for impromptu runs under the Special Interest Vehicle (SIV) Scheme. DOTMR Guidelines can be found on Page 2 of this document.

An impromptu run is a run initiated by a Club member and involves one or more members/vehicles. Impromptu runs are an open invitation to all club members to participate in such runs and will need to be acknowledged by the Social Organiser or a member of the club committee prior to the run.

Below is the process for all Impromptu runs:

1. An Impromptu run needs to be posted/advertised on the club's Facebook Page. If you are not on Facebook, the Social Organiser or another committee member can post the run on behalf of the organiser.
2. Posting and sharing the run with the social coordinator or a committee member on Facebook is considered to be notification of the Social Organiser or club committee members.
3. A phone call to the social coordinator prior to posting is a courtesy that should be followed where possible.
4. Sufficient prior notice needs to be given to allow other members to respond. Ideally 1 - 3 days' prior notice is considered a reasonable timeframe for other members to be included on the run.
5. The following details must be posted on Facebook. Date, time, starting point, meeting points if any, destination/s.
6. Those wishing to attend an impromptu run are to notify the organiser/poster prior to participating on a run.
7. After the run the poster must comment on those who attended and any other relevant details in the original post for club record keeping purposes.
8. The above allows those members with SIV registered vehicles to legally take part in the runs, with full insurance coverage (assuming they are insured).
9. SCCQ is not responsible for any incidents that may occur on an Impromptu run and is simply providing a platform for our QLD Members to submit their Impromptu Runs to comply with the QLD SIV Scheme guidelines.

An extract from the DOTMR Guidelines Impromptu Run is below:
