

Run No: Lakeside 30 04 23

Studebaker
CAR CLUB OF QUEENSLAND INC.

Sunday 30th April

Address

lot 1 Lakeside Road
Kurwongbah

Gates opening – 7.00 am.

Gates Closing – 4.00 pm.

Meeting point – Clubrooms.

Departure time from clubrooms – 6.15 am.

This event was very well patronized when I last attended in 2019.

Experience suggests those arriving after 8.00 am miss out on the prime parking spots.

If we are to enter as a group and find a spot that will allow for an early departure if any of our members wish to do so we will need to be as near the gate as possible at 7.00 am.

Personally, I will be ready for a departure around lunchtime.

I would like to invite any of those attending to a pub type lunch. Venue to be agreed on the day.

A handwritten signature in black ink, appearing to read 'R. Oldman'.

Chrome Bar Bonanza

The Chrome Bar Bonanza at Lake(3) hours of cruising throughout the day, Show n' Shine, 1/8th mile drags and entertainment it's a great day out!

If you have a chrome bar classic be sure to bring it along for a great family day out at Lakeside Park!

Vehicle Qualification

As the name suggests all vehicles originally built with chrome bars are able to participate in the Chrome Bar Bonanza days at Lakeside Park. If yours doesn't qualify check out the other theme day events above.

All vehicles need to be clean and presentable. Lakeside Park operates on a first in first served policy. There is no pre-entry for display cars unless you have booked a VIP package!

and enter on the day at the Control Tower when you arrive if places are still available.

side Park is open to all vehicles originally built with chrome bars. It doesn't matter if they have been removed or painted over!

Comments:

- Anyone wishing to enter the Drags Track Challenge - \$50.00
- VIP Package - \$150.00
