2023 Show & Shine – with Perpetual Trophy for top car

Sunday 01st October 2023

The committee has decided to hold our annual Show & Shine event at Old Petrie Town this year.

The last two years have been very successful, and Old Petrie Town management have been very accommodating.

This date has been selected because it coincides with Wheels through Time, which is a steam day.

Old Petrie Town will be busy, given that the markets will be on as well.

Hopefully our exposure to the public will be maximized.

Location: Old Petrie Town,

901 Dayboro Rd, Whiteside

QLD 4503

- There will be no entry fees required for displaying your car.
- Entry forms for judging will be provided by the traffic marshals on the day.
- A Pre-booking will have been made at the hotel based on our best estimate of numbers attending. The hotel will be notified of actual numbers prior to 9.30 am. This will ensure that our members do not miss out, as the hotel does get very busy.
- This year the club would like to see the older cars which do not normally attend make an appearance. The venue is reasonably centrally located, and travel distances should not be a deterrent for attendance. Members of the public who are attending the Wheels Through Time event are also likely to be interested in our Studebakers, especially the older cars.
