LIBRARIAN'S REPORT

George advised that there had been no activity during the month.

SOCIAL ORGANISER'S REPORT

Michael outlined the future social calendar that will include a weekly email detailing all classic car related events, courtesy of the Eliminators and Hot Rod Club. The intention is that if there is no SCCQ organised weekday/weekend event, members can take advantage of the listing and participate in a formally publicized event.

Michael added that there would be a mid-week run on the 26th of June – a picnic in the park at 17Mile Rocks.

Cooly's Festival: Jim thanked Dave and Dick Lucas for their efforts in organising the Club's participation in this event. Jim advised that 18 cars were part of the Club's display, photos of which are on Facebook and the Club Website.

RACQ Motorfest: Michael and four other Club members braved a chilly start to enjoy a beautiful winters day immersed in classic cars. The event celebrated the 60th Anniversary of the Mustang and afforded Michael the perfect opportunity to display his pride and joy.

WEB EDITOR REPORT

George advised that Web Site problems with the Photo Gallery and Calendar of Events were being investigated by the Web Master, Lea De Groot. Until these problems are resolved, Jill will be posting photos and event information on the Website main page.

PUBLICITY REPORT

Ross advised that the Club's Facebook page was up to date with event reports and run sheets. Ross also suggested that when the Club is advised of Studebakers that are for sale, an email should be sent to members advising details of the sale. Those in attendance agreed and this procedure will be adopted in the future.
