SOCIAL ORGANISER'S REPORT

Michael, together with Bill and Dennis provided the following summary of Club events since the last meeting:

Picnic in the Park at 17Mile Rocks: The mid-week run to the Rocks Riverside Park attracted 9 members who enjoyed a picnic lunch followed by a wander around the park inspecting the old industrial artifacts. Photos on Facebook.

Beach BBQ/Lunch Nudgee Beach: Nine members brought along a few Studebakers, a Packard, a Thunderbird, a Mustang and a brand X to this mid-week picnic lunch at Nudgee Beach. The weather was better than expected and everybody spent some time exploring the walkways. Phil added his thanks to Michael for organising this run and providing the coffee essentials. Photos on Facebook.

Mac's Bridge Classic and Sports Car Festival at Caboolture Aero Club: Bill Beverley reported that 9 members attended this event that was held at the Caboolture Airport. Bill added that the area was very large and despite the equally large numbers of cars in attendance, a more compressed display would have made it easier to visit all the displays. Bill commented that there was a predominance of European cars rather than American cars and that the MX5 Club was well represented with 50 vehicles. Dennis Jewsbury made mention of the aircraft activities during the day as well as the opportunity to visit the Caboolture Warplane Museum.
