## **SOCIAL ORGANISER'S REPORT**

Michael provided the following summary of Club events since the last meeting:

Sunday 20<sup>th</sup> – Historic Racing Car Club [HRCC] – Morgan Park, Warwick. Attended by Michael and Ross.

Wednesday 13<sup>th</sup> – The Studebakers Day Journey to Kilcoy/Summerset Dam was an enjoyable day's outing. First stop for the day at the Pit Stop Café, Mt Mee opened everyone's eyes to the wonderful view over the valley below and plenty of motoring memorabilia of two and four wheels from years gone by dazzled the eyes within the café. From there onto the Exchange Hotel, Kilcoy, for a great Pub Lunch and cool ale fuelled our 20 patrons of the day for the journey home. Some headed back the way they had come, while others continued to The Spit, Summerset Dam. A check on the BOM weather site showed storms developing to the south and far enough away not to be problem. So, onto the next stop, Hays Landing, Wivenhoe Dam and while the weather remained fine, should have checked the traffic for the journey to home as we crawled the entire length of the Logan Motorway. All in all, a great day's outing and a big thanks to everyone for making it special.
